Can help you
The PRC Restoring Family Links Service

The Portuguese Red Cross (PRC) Restoring Family Links service is available to anyone living in Portugal who wants to find a missing family member.

Family members can be separated by war, natural disasters or migration. In the turmoil, panic and terror, family members can be separated in minutes, sometimes leading to long years of anguish and uncertainty about the fate of children, parents or spouses.

Trying to locate people and put them back into contact with their relatives is a major challenge for the Red Cross and Red Crescent Family Links Network around the world.

What we do

Search for family members
Have you lost contact with a relative and you do not know where he/she is? We search world-wide for people who have been separated or are missing because of war, disasters and migration.

Messages to relatives
You know the address of your relatives but cannot get in contact with them in the usual way (post, telephone, internet)? On a global basis we are sending “red cross messages” that are often the only chance for separated family members to stay in contact.

Confirmation of detention
Were you detained during an armed conflict and were visited by delegates of the International Committee of the Red Cross (ICRC) during your internment? We can try to obtain an attestation.

Other services

Obtaining information on health or welfare if you have lost contact with elderly or sick relatives abroad.

Passing on important documents when no other channels are available.

Clarify the fate of a missing relative.

We follow your case personally and treat your information on a confidential basis, keeping you updated on the status of the search.

Our capacity to locate people depends on the local circumstances, including the security situation of the country.
